

Here To Help pharmacy campaign social media toolkit

Date: August 2023

Version 1

Pharmacy

- More than just a place to pick up a prescription!
Your local pharmacy teams are healthcare experts on your high street and can help you with advice and treatment for a range of common health concerns including:
 - hayfever/allergies
 - tummy troubles
 - itchy eyes or skin
 - coughs
 - colds
 - sore throat
 - aches and pains

and many more.....

Find your nearest NHS community pharmacy at:
<https://www.nhs.uk/service-search/pharmacy/find-a-pharmacy>

2. More than just a place to pick up a prescription!

Pharmacy teams are experts in healthcare and can help with a wide range of common health concerns without the need to visit a GP first.

You don't need to make an appointment and can talk in confidence.

If it's more serious, your pharmacist can signpost you to the best service for you.
